

DISCUSSION

The Notice of Allowance dated September 1, 2004 indicated allowable subject matter with respect to Claims 1 through 8. The Office Action also indicated that while reference numerals 48 and 50 were contained in the specification at page 4, these reference numerals were absent from the drawings. Applicant has prepared a substitute Figure 1 in which reference numerals 48 and 50 which refer to legs associated with the table game are indicated.

Applicant respectfully submits that this substitute drawing is responsive to the Examiner's objection and that upon payment of the requisite issue fee, a Letters Patent will be granted.

Respectfully submitted,

DAVID J. SEME - Applicant
